BETHELONIAN DEDICATION OF 1972-73

TO MR. VERNE PIERSON

Dedicating a yearbook to a person such as this - is easy; it is finding the words to express admiration that is difficult!

This 1972-73 Bethelonian is dedicated to one who's cheerful smile and good sense of humor readily identifies him to the school community.

In his classroom you may spot him joyfully checking his fossils, growing bacteria, or telling a humorous anecdote.

During his years of teaching in the Bethel area you may have caught him doing anything from checking hall passes to dodging donkeys at the donkey basketball games. His sincerity and concern for the students is shown through his help and greatly appreciated advice.

You might have also caught glimpses of him at any of our home football and wrestling matches as the man behind the clock.

It is to this man, with the ever ready helping hand – MR. VERNE PIERSON, we dedicate the 1972-73 Bethelonian with affection.

MEMORIES

Yesterdays.
A hundred of them filled with the joy and wonder that a thousand tomorrows may never bring.
Soft murmurs. Warm firelight.
Gentle, musical strings.
The events of yesterday take their final form between the pages of a book.
Such a little thing to hold the accomplishments of men.
Such an important thing to hold the key to MEMORIES'

SCHOOL ADMINISTRATION

Mr. C. J. Knaggs, Vice Principal

Mr. Earl Platt, Principal

As Freshman entering Bethel four years ago, graduation seemed remote and the great attainment to anticipate. Progress through school, broadening and enlightening you, made you realize that a high school education was not the peak of your ambitions, but that it was only an incentive for the real life that is yet to come.

Heretofore your lives have been rather narrow and restricted. Now you are to enter into a span more open, more complicated. It will be full of new adventures, filled with opportunities of which you will have to be aware and full of situations for which you must be responsible. May you face all of these difficulties with courage and determination! May health and happiness be your companions through life!

FACULTY

Even though we have changed to a three quarter system this year, our faculty has managed to keep things running smoothly. Students under the new system, have been placed into classes with little or no trouble. Although some teachers have had some of their assignments changed from last year, the faculty has continued to uphold the fine standards of the profession.

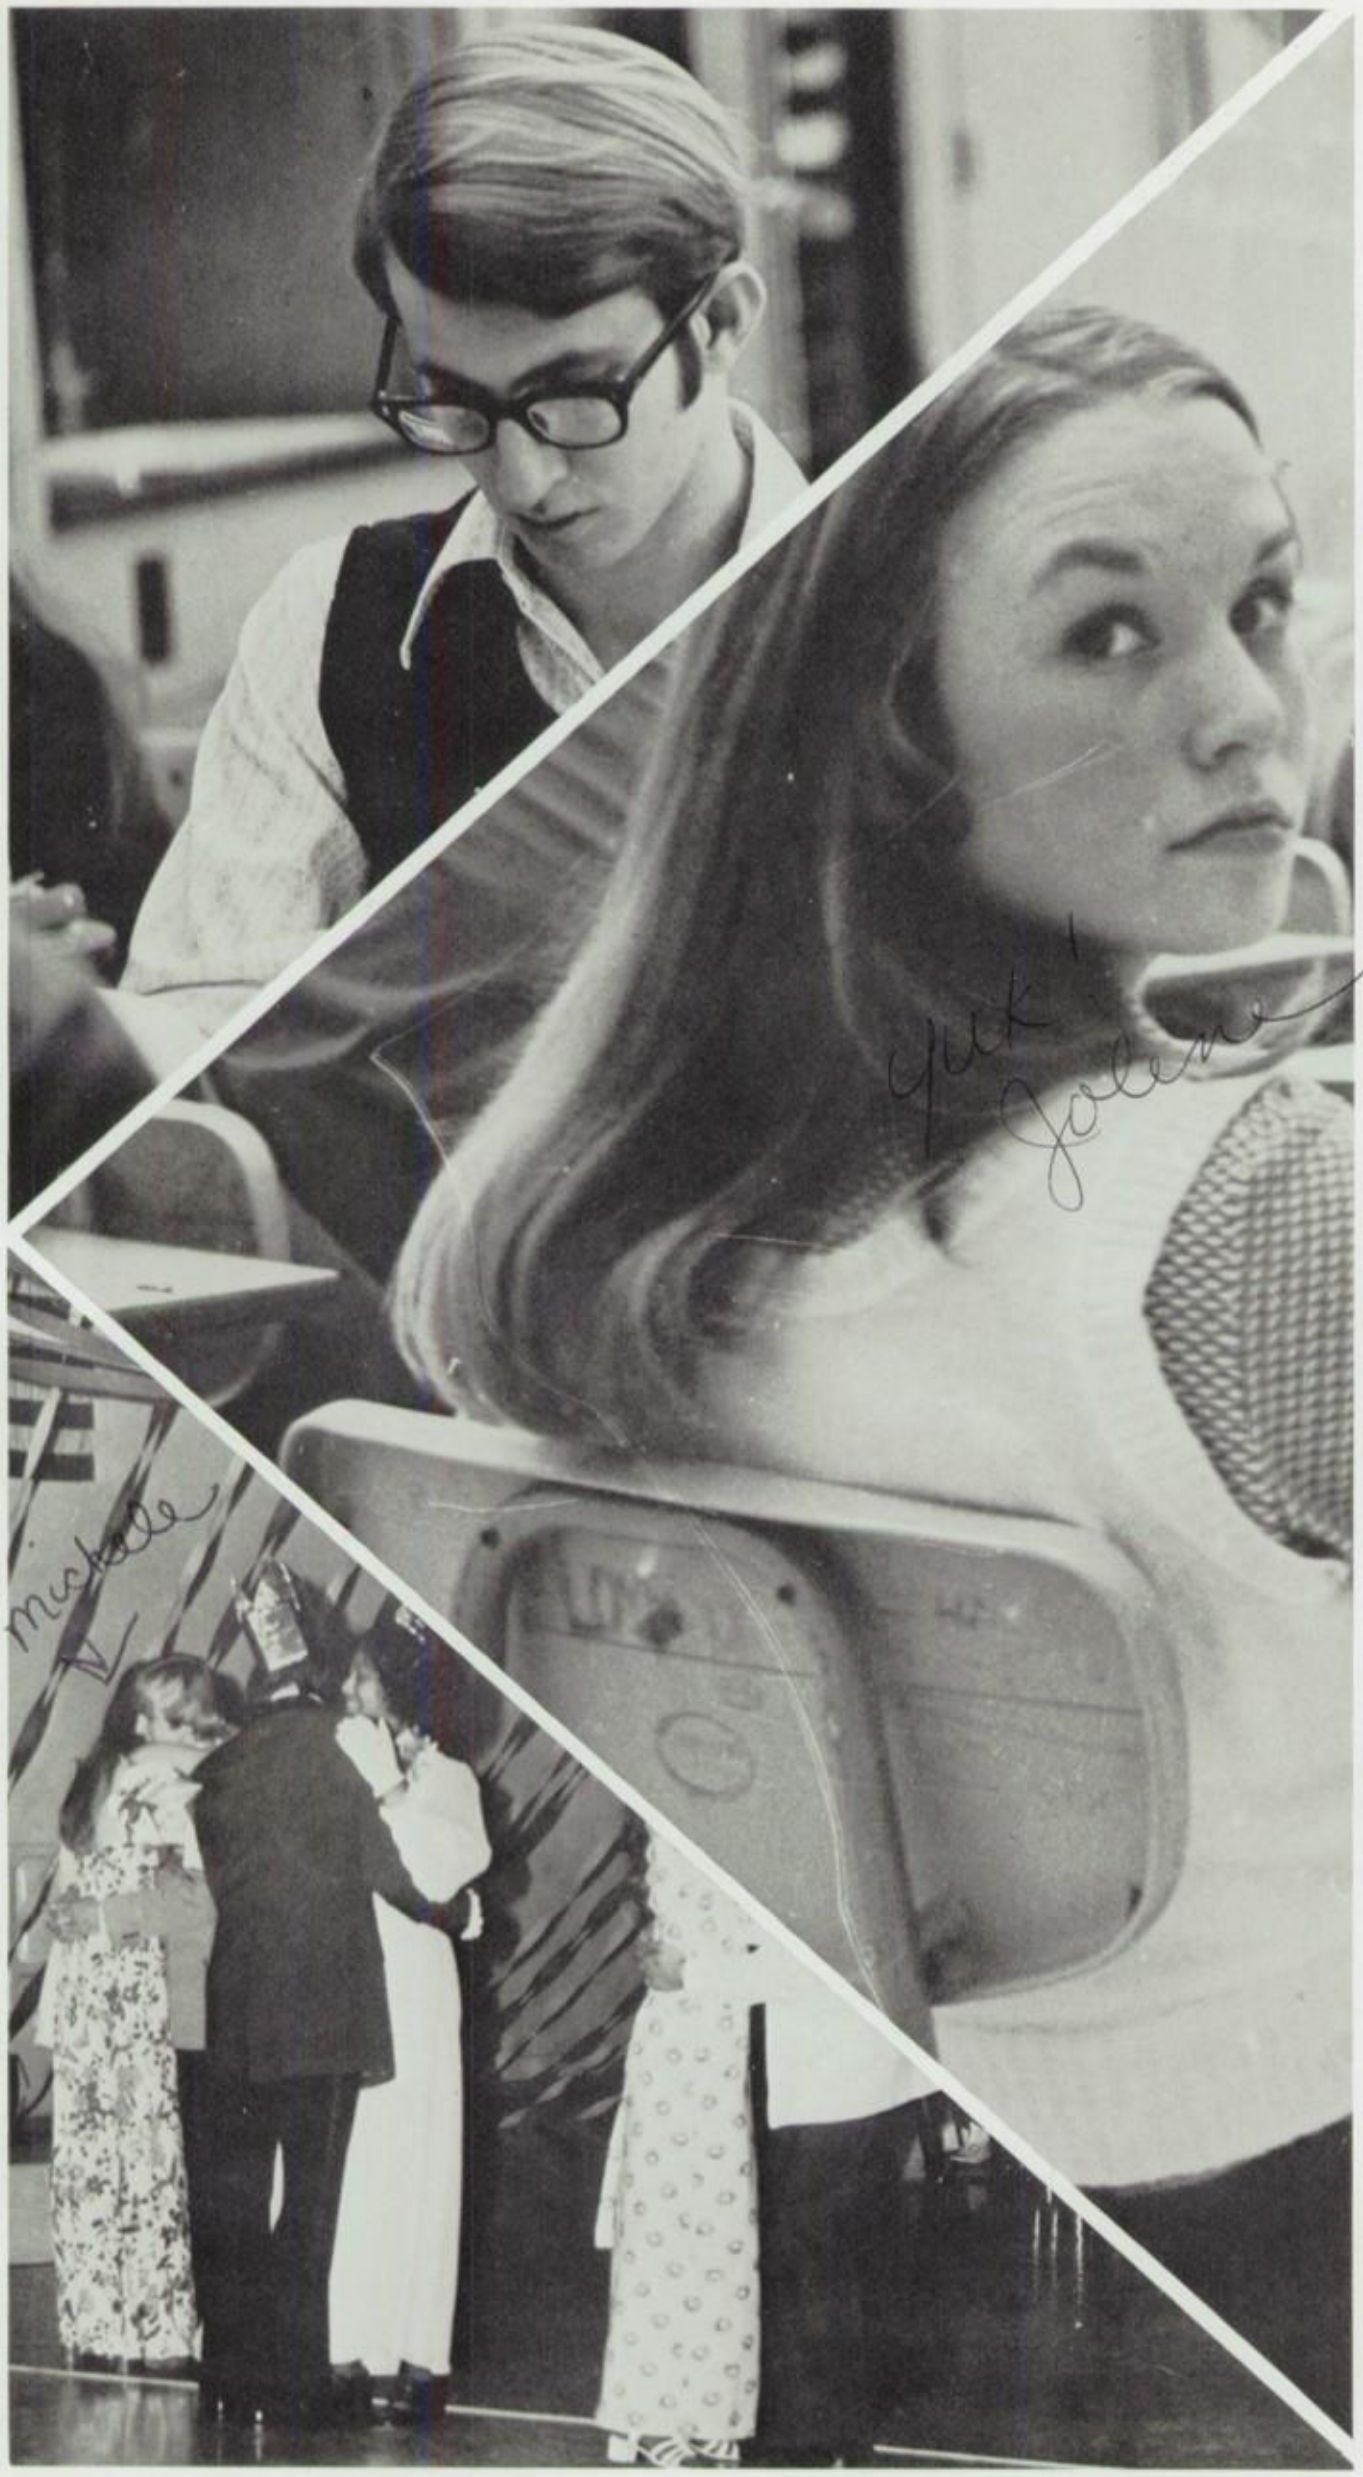
CLASSES



Though varying wishes, hopes and fears
Fever'd the progress of these years
Yet now, days, weeks, and months but seem,
The recollection of a dream.
– Scott

The freshman year for the class of 1973 was a period of adjustment. Most of the time was spent getting to know the school and people that all of us were to be in contact with for the next four years.

Class officers were voted on shortly after school began and they were, Randy Snow, Pres.; Brenda Peterson, V-Pres.; Cheri Johnson, Secretary; and Teresa Swick, Treasurer.

Money making projects were car washes, bake sales, and stickers, organized by students within the class.

During homecoming events, Jeannie Moore was chosen Freshman attendant.

In the fall of 1970, we started our Sophomore year. Class officers were, Pat Morehart, Pres.; Peggy Boyle, V-Pres.; Lynne Robinson, Secretary; and Donita Martin, Treasurer. Together, with the help of the class, we planned out the many events of our very successful Sophomore year.

As Sophomores, we had a chance to plan and organize our first big event, the Sophomore Tolo. A theme was selected, a band hired, and royalty elected by the class. The night of the Tolo, Mary Dunham and Les Myers were selected as Queen and King.

Homecoming was exciting when LeAnne Overway was chosen to represent our class as Sophomore Attendant.

Our Junior year was probably the most eventful year spent by the class of '73. A great deal of money was raised through the hard work of our class.

At the beginning of the year we started organization by the election of class officers, Larry Ladowski, Pres., Debbie Brooks, V-Pres., Nancy Brown, Treasurer; and Frances Martinez, Secretary.

The time seemed short because within this year we experienced a win of second place in the Pig Skin Pow-Wow and Debbie Baldwin reigned as Junior attendant. Later in the year our class put on a Junior Prom with the theme "Precious and Few". The crowning of Queen Diana Lewis and King Mike Montello added the finishing touches to the night.

During the time of Commencement, 12 Juniors were chosen by the Senior Class to represent them as Honor Guards at the time of graduation: Jamie Akers, Sheila Baskett, Mary Dunham, Bruce Leonard, Diana Lewis, Les Myers, Dave Niehl, LeAnne Overway, Brenda Peterson, Gary Ross, Randy Snow, and Kelvin Westbrook.

To end the year, in preparation for our Senior year new officers were elected: Nancy Brown, Pres.; Les Myers, V-Pres.; Patty Long, Treasurer; and Frances Martinez, Secretary.

Starting out our Senior year our class had to raise money very quickly for our Senior Ball. Couples danced to the music of Sweet Ginger. "As Time Goes On", the theme of the Senior Ball, created a very romantic atmosphere and brought joy to Frances Martinez and Ed Harkins when they were crowned King and Queen for the Senior Ball of 1973.

Homecoming week surrounded us for the final year. The highlight of the evening was the crowning of Sheila Baskett and Randy Snow as our Homecoming King and Queen.

Throughout the remainder of the year, we raised money from several activities and planned the various events for the remaining year.

Each and every one of us have a special thought or remembrance of this year and the four years spent within the shadow?? of Bethel Senior High School.

"What lies behind us and what lies before us are tiny matters compared to what lies within us."

Secretary Khris Kerschner

Activity Coordinator Sandy Mathis

The junior class of 1974, under the competant leadership of Tony Phillips, President; Mike Konschuh, Vice President; Kris Kerschner, Secretary; Donna Lauenborg, Treasurer, and Sandy Mathis, Activity Coordinator, has pulled through an exciting year.

To show their class spirit the juniors went forth and won first place over the other classes in the Pow Wow. They held a volleyball marathon, washed cars, sold calendars, and many other money making projects. For the class, the most exciting event of all was the Junior Prom. With the advisors, Mr. Pierson, Mrs. Wisness, Mr. Bannister, and Mr. Gray helping the juniors prepare for their future graduation, the juniors ended the year with experience and memories that will never be forgotten.

SOPHOMORE YEAR BEST YET

Starting off the year with a carwash, the class of '75 plunged into various money-making activities. During the course of the year they held five carwashes, one after-game dance and the Sophomore Tolo.

The Tolo was a big success and it greatly boosted the class treasury. Attendance was good and everyone enjoyed themselves.

Class pins, buttons, and necklaces were also sold. This year may have been the best yet, but next year. . . .

This year's senate has been involved with very serious problems concerning the A. S. B. First, the constitution which is the basis from which Bethel stands, had to be put together with all amendments from previous years. This was the prime job of the senate.

The members of the senate are very concerned about Bethel and tried to have it look as well as it was run. In order for them to do this they elected several committees; Ground improvement, student lounge, and student rights.

The senate had many plans to carry out, and with the student body's help, they were accomplished.

The roll of the drums and the sounding of the trumpets brought this year's Drill Team marching onto the football field. Through the cold weather and the blowing wind, Drill Team performed new routines. The self supporting group introduced a new kind of half-time entertainment, instead of the traditional marching during basketball season they danced to some of the popular hits of this past year.

GAA BOUNCES INTO PRACTICE

Advisor Mrs. Wollen

GAA, an organization actively involved in sports, opened the season with volleyball, claiming trophies for 1st and 2nd places.

The arrival of winter brought the girls into bowling and of course, more trophies. For spring the girls voted in archery.

Along with these three seasonal sports, they had three outside activities -- roller skating in the fall, ice skating in the winter, and a swim and a pizza party in the spring where awards were given.

YEARBOOK Reflections of Memories

The staff captured for the students of Bethel High experiences and expressions of joy and sadness, and left in return a bit of themselves in the 1972-1973 Bethelonian. One idea started a chain until the theme Memories was complete.

Members from the annual staff attended a yearbook workshop in Seattle where they learned new techniques in publications developed within the last year.

DEBATE

Bethel debators were perhaps the busiest students on campus this year. The year's debate subject was: Resolved: "That governmental financial support for all public elementary and secondary education should be provided exclusively by the federal government." The season opened with a tournament at Issaquah in October and ended in May with State Debate Finals.

Not only were Bethel's debators busier, they were also more successful than in the past. The squad participated in 5 major college invitational tournaments: WWSC in Bellingham, SPC in Seattle, UPS and PLU in Tacoma and PSC in Portland. Bethel competed in Seamount League debate and individual event tournaments as well. In December, the squad hosted a league round robin and on March 3 the State Individual Events Qualifying Tournament, involving 150 students. The team showed considerable strength in individual events and literally filled a showcase with new trophies.

HOME COMING ,
A NEW BEGINNING

Something different happened at Bethel's homecoming this year. Queen Shiela Baskett was joined by the 1st Homecoming King, Randy Snow. Together they watched the exciting events of the 19th Annual Pigskin Pow Wow on October 21, 1972, held for the first time in the new gymnasium.

Princesses, Terri McConnell, Vicki Potter, and Lorinda Barnhouse, were escorted by senior football players, Larry Ladowski, Kelvin Westbrook, and Dave Niehl.

Climaxing the excitement of the evening was the announcement that B-Club had won 1st place for the overall skit.

"AS TIME GOES ON"

The 565 Club was the setting for this years radiant Senior Ball, held by the class of nineteen hundred seventy-three. The huge ballroom was accented in shades of blues and silver.

After the parade of royality, it was announced by Mr. Nelson, Advisor, that the Senior Class had selected as Queen and King, Frances Martinez and Ed Harkins.

The music for the evening was presented by "The Connection". This was the beginning and end of a lovely evening for each couple that attended.

STAIRWAY TO HEAVEN

"Stairway to Heaven" was chosen for the 1973 Junior Prom, which was held on Saturday, February 3. The theme was carried out in the decorations in colors of Blue and Ivory.

Highlighting the evening was the crowning of King Mike Konschuh and Queen Janet Durr.

Due to the hard work of the Juniors the Prom turned out very successful. The evening provided many memories for the future days.

The theme of the Sophomore Tolo was "From the Beginning". Couples danced to the music of The Eligibles. At the middle of the evening Loren Adkins and Jolene Michener were chosen by the Sophomores to reign as the King and Queen. Surrounded by the many colors of the color scheme each couple seemed to have an exciting and fun filled evening.

HAPPINESS IS...

This year's daffodil was inspired by Faye Phillips when she was chosen as our Princess to represent Bethel. Cathi Longfellow was elected to ride our Float as Float Queen, other representatives were, Debbie Brooks, LeAnne Overway, Jody Hansen, and Cheri Johnsen.

The 28 foot long float covered with 25,000 daffodils, was decorated with teddy bears, tricycles and rocking horses. At the extreme back of the float was Ernie for Sesame Street bringing up the end. All the props and hard work put into this float we have to thank the hard working and concerned students of BETHEL HIGH.

The clicking of shutter releases and photographers explaining how and where to sit is heard. People coming and going from different rooms causes a constant commotion. Film being processed and prints being run off only take up the time of a fourth of the staff. Photos being pasted, cut and laid out, copy being set, typed, and proof read seem only a part of what's going on inside. All around is a bustle of noise and confusion, with people talking and answering questions. Some help others with their work, while others finish up their own assignments. Many nights of work planning and laying out is done in the preparation of a yearbook.

I would sincerely like to give a big "Thank you" to my staff for the many hours of dedicated work, to Mrs. Judy Mosier for proof reading our copy and to Mr. Richard Mosier who's helpful advice was greatly appreciated and needed. I will always cherish the memory and friendship of each, for without their dedication and combined efforts this book would not have been possible. I would also like to thank Bert Perler Studio's for all the special photography that was done, and Mr. Bert Durham for being so thoughtful and understanding when it came to the problems we had during each deadline. Also to Mr. C. J. Knaggs and Mr. Joe Butcher for using their own time to help out with photographs that were needed. To the faculty and students of Bethel High I express my deepest appreciation and gratitude for putting up with the interruptions and confusion throughout the year.

I hope through the making of this book, we the staff, have captured some of the many MEMORIES you experienced during your 1972-73 school year.

Sincerely,

Shelley Thomas

Doris,

The years I've known you have been happy and memorable ones. You have been a good and kind friend at all times. I want you to know and not forget, ever, that you have been a good friend of mine. It seems that the years have gone by so fast.

The minute you get to your new home save every penny you can then when we're Seniors I'm sure we'll do what we talked about. That will be a blast. I hope that when we graduate we will find a job that we will both be in together. Maybe rent an appartment together or something. Maybe as we thought being a stewardess would be neat. Ha! Ha! All of these maybe's will have to be (are) is. We'll have to keep in touch with each other so we'll find out the future maybe's together.

I hope the years ahead are happy ones for you and don't do anything I wouldn't do!

Have a fun summer wherever you are.

Doris,
It was really
fun knowing you,
and we had lots of fun
over the years? Remember when
Mr. Oyler used to let us go play
ping pong in the commons whenever
we wanted to? That was really fun.
And when we talked the guy at the
wal into letting us have a bottle of pops at the
ring toss? It was fun.
Anyway, I wish you weren't leaving because we could
still have alot of fun. I hope you'll like it, and have a
nice time there. I'll miss you alot. Have a nice summer
and take care.

And don't forget
to write!

Good Luck
& Best Wishes
Always,
